

Electric Mixers

STM-1200 [STM-1200]

STM-1400 [STM-1400]

STM-1600 [STM-1600]

STM-1800PRO [STM-1800PRO]

For the professional craftsman and handyman alike, Staring offers the perfect solution for mixing cement, mortar, glue, epoxy, and similar materials with our range of electric mixers.

Available in 4 variants ranging from 1200W to 1800W, each model features a robust two-speed gear motor with variable speeds and comes complete with a corresponding whisk and a 2-meter cord.

Moreover, the STM1600 and STM1800PRO models are equipped with “Soft-start” and impact-resistant protection near the handle, providing added convenience and durability during operation.

THE STM1600 AND STM1800PRO
MODELS ALSO FEATURE AN
AUTOMATIC HOLD FUNCTION
DURING OPERATION!

NOTE: Standard 14mm thread for paddle attachment.

MODEL	STM1200	STM1400	STM1600	STM1800PRO
